
5F5ize Download Latest

· Use any folder for size and location. This program will show where and the size of each folder. This program is also very efficient. · Run the program any time you want to check your system folders. · The folder location is automatically selected. Only press Enter to view the size. · All the contents of the folder can be viewed. · Run the program any time you want to check your system folders. · The folder location is automatically selected. Only press Enter to view the size. · All the contents of the folder can be viewed. · Export to a CSV file · Automatically installed · A great time saver · Easy to use · Excellent database size comparisons · Very efficient · Super fast · Very easy to use · Easy to understand · Very stable and fast · Excellent features · Super easy to use · Great overall · Very user friendly · Perfect for system administrators · All data is stored in a very easy to read, easy to use spreadsheet format. · Export to a CSV file · Automatically installed · A great time saver · Easy to use · Excellent database size comparisons · Very efficient · Super fast · Very easy to use · Easy to understand · Very stable and fast · Excellent features · Super easy to use · Great overall · Very user friendly · Perfect for system administrators · All data is stored in a very easy to read, easy to use spreadsheet format. · Export to a CSV file · Automatically installed · A great time saver · Easy to use · Excellent database size comparisons · Very efficient · Super fast · Very easy to use · Easy to understand · Very stable and fast · Excellent features · Super easy to use · Great overall · Very user friendly · Perfect for system administrators · All data is stored in a very easy to read, easy to use spreadsheet format. · Export to a CSV file · Automatically installed · A great time saver · Easy to use · Excellent database size comparisons · Very efficient · Super fast · Very easy to use · Easy to understand · Very stable and fast · Excellent features · Super easy to use · Great overall · Very user friendly · Perfect for system administrators · All data is stored in a very easy to read, easy to use spreadsheet format. · Export to a CSV file · Automatically installed · A great time saver · Easy to use · Excellent database size comparisons · Very efficient · Super fast · Very easy to use · Easy to understand · Very stable and fast · Excellent features · Super easy to use · Great overall · Very user friendly · Perfect for system administrators · All data is stored in a very easy to read, easy to use spreadsheet format. · Export to a CSV file · Automatically installed · A great time saver · Easy to use · Excellent database size comparisons · Very efficient · Super fast · Very easy to use · Easy to understand · Very stable and fast · Excellent features · Super easy to use · Great overall · Very user friendly · Perfect for system administrators · All data is stored in a very easy to read, easy to use spreadsheet format.

What's New In 5F5ize?

5F5ize is an easy to use application that will enable users to view the location as well as the size of the system special folders they specify. Using 5F5ize, like all other LeeLu Soft programs, is very simple. It can present all of the system folders or just the selected ones. The information can be exported to a CSV file for further investigation. 5F5ize can find the location and size of the system special folders including: · Common files · Program files · Windows · System · Temp · Desktop · Programs · Personal · Favorites · Startup · Recent · Send to · Start menu · Desktop folder · Net hood · Fonts · Common start menu · Common programs · Common startup · Common desktop folder · Common app data · App data · Print hood · Common favorites · Templates · Internet cache · Cookies · History Recent changes:2.2 · Hotfix for embedded fonts problem 2.2 · Fix for some users with embedded fonts problem · Some more fixes 2.1 · Fixed a problem where some users were unable to display the last modification dates 2.0 · Small improvement to the Exported CSV options 2.0 · Reintroduced a search option to find system folders of interest 1.0 · Initial Release Community Help Get latest updates about Open Source Projects, Conferences and News.
