Gameplay Akazuki To Mayoi no Mori is the game of the titular "man-eating tree" and, to a lesser extent, the "noble witch". The game features a protagonist with a tiny dagger and a large amount of charm. When the player levels up, the character can use 1-3 combat styles, including physical strength and agility. To make combat even more challenging, the game features "the devil's puzzle mode". When the player enters the devil's puzzle mode, the character transforms into a "stage character", complete with a different weapons and stats. The player is then forced to complete challenges with that stage character, using that character's abilities, until a certain goal is reached. There are three major bonuses for completing puzzle mode challenges:
