
Speak I.D. (LifeTime) Activation Code Free Download X64 2022

Speak I.D. is a Caller ID app that gives you more information on incoming calls. With Speak I.D. your computer can speak the caller name and number on an incoming call and popup a picture of the caller. Don't want a call from someone? Speak I.D. will automatically hang-up on blocked calls, out-of-area calls, a specific caller, telemarketers, or callers not in your phonebook. You can leave a typed message for a caller or record your own personal message. If you don't want to be bothered with calls you can schedule a time frame for the phone not to ring. If you are not at home, Speak I.D. can send your call log to you while you are away. You can set up a variety of alerts if someone calls such as: Execute a program or sound, send a text message or e-mail when a call is from a specific number, or call a phone number and speak a message. 5 days free trial My Billing Software My Billing Software Description: My Billing Software will help run your business.
